

Staff Selection Commission

Subject: - Combined Graduate Level (Tier-I) Examination, 2010 –
Declaration of Results – regarding.

CLARIFICATION

“The Commission has declared the results of Tier-I Examination of the Combined Graduate Level Examination, 2010, wherein 54,797 candidates have been declared to have qualified to be considered for Tier-II Examination, by fixing different cut-off for different categories. Out of these candidates, as the number of candidates available for consideration for the posts of SIs in CPOs has been found to be inadequate, the Commission has fixed a further lower cut-off for different categories and have declared an additional number of 23,791 candidates to have qualified in Tier-I Examination, **who would be considered only for the posts of SIs in CPOs and would not be considered for any other posts**”.
