INSTITUTE OF BIORESOURCES & SUSTAINABLE DEVELOPMENT (IBSD)

DEPARTMENT OF BIOTECHNOLOGY, GOVERNMENT OF INDIA

Takyelpat, Imphal – 795001, Manipur (India)

ADVERTISEMENT NO. AP/111

Imphal, 14th December, 2012

Institute of Bioresources and Sustainable Development (IBSD), Imphal, a research institute under Department of Biotechnology, Govt. of India, is starting a Microbial Repository Centre (MRC) at its campus at Takyelpat, Imphal. The first phase of the project is for 2 (two) years during which the microbial cultures of the different academics/ research institute/ Universities will be preserved in the MRC at IBSD. The Institute is looking for young energetic persons with experience of handling, processing identification (classical and molecular techniques) of microbial cultures. This is a short term adhoc position which does not have scope of any basic research. Prescribed application format is available at the Institute's website or from the receptionist of the Institute. Duly fill in application form along with photo copies of attested certificate / testimonials in support of age and educational qualifications with recent self attested passport size photograph of the candidate may be submitted to the Director, IBSD, Takyelpat, Imphal during Office hour on or before **24th December, 2012**. Only eligible / short listed candidates will be intimated for an interview before the selection committee. The selection procedure will be strictly adhered to Govt. of India norms.

Sl. No.	Available Position		Title of the project
1.	a) Scientist-B	1 (one)	Establishment of a culture collection centre in North East region. Duration: 2 (two) years or till the completion of the project whichever is earlier.
	b) JRF	2 (two)	
	c) Junior Account Assistant	1 (one)	
	d) Lab. Technician	2 (two)	

1. The above position are purely temporary and co- terminus with the respective project. The selected candidate shall not claim for regular appointment either to IBSD, Imphal, RCIBSD, Sikkim or DBT, New Delhi.
2. No TA/DA will be paid for attending the interview.
3. The details of the advertisement is available in the Institute's website (<http://ibsd.gov.in>) or as hard copy from the receptionist of the Institute.
4. The name of the position applied should be clearly written on the front of the envelope.
5. Application form must accompany degree certificate and marksheet which is essential for preliminary screening. Failure to enclose these documents with application will result in direct rejection of the application form.
6. **For the position of Scientist-B those who applied in response to our earlier Adv. No.: C1/2012 dated 4th October, 2012 need not apply again. These candidate who applied earlier will also be considered.**

DETAILS OF ADVERTISEMENT NO.AP/111 DATED 14th December, 2012

Sl. No.	Title of the project and name of funding agency	Name & number of post	Duration	Emoluments / Consolidated pay	Qualification
1.	Establishment of a culture collection centre in North East region. Spons. by DBT, GoI	a) Scientist-B 1(one) The information regarding for the position of Scientist-B is the amendment of the earlier Adv. No.C1/2012 Dated 4/10/2012	2 (two) years or till the completion of the project whichever is earlier	Rs.34,650/- p.m. (consolidated)	1 st class in M.Sc. in Microbiology/ Agril. Microbiology/ Medical/ Environmental Microbiology or Biotechnology with specialization in Microbiology M.Sc. in Equivalent subject with specialization in Microbiology or Ph. D. in Microbiology/ Agril. Microbiology/ Medical Microbiology/ Environmental Microbiology. (Desirable: Proven capability of Isolation, culturing , identification with classical and molecular techniques, preservation of microbial culture based on publication and experience certificate of working in these areas.)
		b) Junior Research Fellow 2 (two)		Rs. 16,000/- p.m. + 10% HRA for 1 st & 2 nd year	i) 1 st class I M.Sc. in Microbiology/ Applied Microbiology/ Environmental Microbiology/ M. Sc. Medical Microbiology etc. (Desirable: Having experience in isolation, characterization & preservation techniques of microorganism through both cultural & Metagenomic approach) ii)M.Sc. in Microbial Genetics/ Molecular Biology/ Microbial Gene Technology etc. (Desirable: Having experience in Microbial diversity analysis, Conventional and molecular systematics, fingerprinting techniques, fatty acid profiling, bioinformatics tools, phylogenetic analysis etc.)
		c) Junior Account Assistant 1 (one)		Rs.15,473/- p.m. consolidated	B. Com. (Desirable : Having two years experience in handling Govt. Accvounts, having knowledge of TALLY etc.)
		d) Lab. Technician 2 (two)		Rs. 8,000/- p.m. consolidated	B.Sc. in Microbiology, Microbial Biotechnology, Life Science, Botany with specialization of Microbiology / Biotechnology. (Desirable: Having experience in microbial culture media preparation , Autoclaving of samples, sample collection, having knowledge of handling toxic chemicals and minor lab. equipments etc.)
