

F.No.PA/SAO/14/

Dated:6th October, 2015

OFFICE ORDER

The following candidates have been selected in the personal interview held on 28.09.2015 for the following projects:-

| Item No. | PIs Name | Project/Scheme Name | Positions | Fellowship / Selected candidates Name |
|----------|---------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | Dr. K.V. Ravishankar, Co-PI Division of Vegetable Crops, IIHR, Bangalore | DBT Project on “Introgression of begamo virus resistance genes using MAS and genomic approaches” Period: 31.03.2016 | Junior Research Fellow 1 post | Rs. 12,000/- Pm + HRA for candidates without NET qualification Rs. 25,000/- PM + HRA for NET qualified and Professional post graduate degree candidates Provision to register for Ph. D Vithoba M Choudki |
| 1. A | | | Junior Research Fellow 1 post | Rs. 12,000/- Pm + HRA for candidates without NET qualification Rs. 25,000/- PM + HRA for NET qualified and Professional post graduate degree candidates Provision to register for Ph. D Kumar N. P |
| 2. | | | Senior Research Fellow 1 Post | Rs. 16,000/- Pm + HRA for candidates without NET qualification / Professional post graduate degree candidate or Rs. 28,000/- PM + HRA for NET qualified / Professional post graduate degree candidates Dr. A. Vijayabharathi |
| | Dr. K. Madhavi Reddy Pr. Scientist, Division of Vegetable Crops, IIHR, Bengaluru | “Flagship programme: Studies on male sterility systems to increase efficiency of F1 hybrids in horticultural crops” the sub-Project “Diversification of male sterile lines to increase the efficiency of F1 hybrids in hot and bell peppers (Capsi cum annum L.) Period: 31.03.2017 | | |

| | | | | |
|------|------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 3. | Dr. K. Madhavi Reddy Pr. Scientist, Division of Vegetable Crops, IIHR, Bengaluru | DBT project entitled “Marker- assisted breeding to develop a bacterial wilt resistant chilli paprika variety (Capsicum annuum L.) suited for tropical regions of India” Period up to 31.03.2018 | JRF 1Post | Rs. 25,000/- * PM + 30 % HRA for first two years & 28,000/- PM + HRA third year onwards. * (Post Graduate Degree in Basic Science with NET qualification or Graduate Degree in Professional Course with NET qualification or Post Graduate Degree in Professional Course). Aruna Y.R |
| 3. A | | | Technical Assistant 1 Post | Rs. 10,000/- PM (Consolidated) Siddaraju S |
| 4. | Dr. M. Krishna Reddy, Head & Coordinator of the Project, Division of Plant Pathology, IIHR, Bengaluru | CRP on Diagnostics and Vaccines project Period up to 31.03.2017 | SRF 1Post | Rs. 28,000/- * PM + 30 % HRA (Rs. 16,000/- Pm + HRA without NET) P. Swarna Latha |
| 4.A | Dr. M. Krishna Reddy, Head & Coordinator of the Project, Division of Plant Pathology, IIHR, Bengaluru | CRP on Diagnostics and Vaccines project Period up to 31.03.2017 | JRF 2 Posts | Rs. 25,000/- * PM + 30 % HRA for first two years & 28,000/- PM + HRA third year onwards. P. Hema Chandra Reddy L. Sri Ysaswini |
| 7. | Dr. A.N. Ganeshamurthy, Head & PI, Div. Of Soil Science & Agr. Chem., IIHR, Bangalore | National Network on “Micronutrient Management in Horticultural Crops for Enhancing Yield and Quality” Period: 31.03.2017 | Young Professional-II 1 Post | Rs. 25,000/- PM (Consolidated) Manasa B.S |
| 12. | Dr. M. Krishna Reddy, Head & Coordinator of the Project, Division of Plant Pathology, IIHR, Bengaluru | DBT project entitled “Identification and Breeding of Tospovirus Resistance in Chilli (Capsicum Annuum L) Using Molecular markers” Period:31.03.2018 | Junior Research Fellow 1 post | Rs.25,000/- PM + 30% HRA for first two years & Rs.28,000/- PM + HRA third year onwards. Suveditha S |

| | | | | |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------|-----------------------------------------------------------------------------------------|
| 12. A | Dr. M. Krishna Reddy, Head & Coordinator of the Project, Division of Plant Pathology, IIHR, Bengaluru | DBT project entitled “Identification and Breeding of Tospovirus Resistance in Chilli (Capsicum Annuum L) Using Molecular markers” Period:31.03.2018 | Junior Research Fellow 1 post | Rs.25,000/- PM + 30% HRA for first two years & Rs.28,000/- PM + HRA third year onwards. |
| | | | | Basavaraja Sindhigeri |
