The State Bank of India (SBI) will release the final result of the SBI Probationary Officer (PO) exam 2016 on its official website on Friday, September 30, 2016. The exam was held on July 31 this year via the online mode. The results of the SBI PO Mains exam 2016 have already been declared on SBI's website, after which the interview/counseling round was scheduled to take place.

The SBI began the recruitment process for the PO post in May this year. Candidates had time to apply for the post by May 24. The selection process goes through three rounds: The Prelims, the Mains and the interview round. Candidates advance to the next round only if they clear the preceding round. There may or may not be a group discussion (GD) round after the Mains exam.

The shortlist of the selected candidates after the interview process will be put up on the SBI website on September 30, 2016, as per the vacancy advertisement for SBI PO recruitment (advertisement no.: CRPD/PO/2016-17/02).

Candidates are advised to check the website on a regular basis for the SBI PO final results 2016.
