The Bank Draft should be drawn in favour of **Registrar, Mizoram University on State Bank of India, Aizawl Main Branch**.

The prescribed fee may also be paid directly to the **Finance Department, Mizoram University, Aizawl**, during office hours.

iii) All claims of applicants must be **supported by relevant documents duly attested**. Claims of educational qualifications should be supported by **Certificates** as well as **Marksheets**. Applications not supported by documents will be summarily rejected.

Relaxations and concessions will apply as per GOI Reservation rules.

v) Candidates are advised to satisfy themselves before applying that they possess at least the minimum essential qualifications, furnished with clarity, as laid down in the advertisement/University website.

vi) The prescribed essential qualifications are the minimum and the mere possession of the same does not entitle candidates to be called for examination/personal interview.

In the event of number of applications being large with respect to the number of vacant posts, the University may resort to short listing criteria to restrict the number of candidates to be called for examination/personal interview to a reasonable limit by following methods which shall be devised by the University including holding a screening test.

Applicants are, therefore, advised to mention all the qualifications and experience in the relevant field over and above the minimum qualifications and should attach attested copies of the certificates in support thereof.

vii) The prescribed qualifying/pass marks in written examinations are the minimum and merely getting the same does not entitle candidates to be called for further examination/personal interview.

In the event of number of candidates getting qualifying/pass marks being large with respect to the number of vacant posts, the University may resort to setting cut-off marks higher than the minimum qualifying/pass marks.

viii) No correspondence nor telephonic/electronic query will be entertained from candidates regarding postal delays, conduct and result of interview and reasons for not being called for interview. **Canvassing by any means in any form at any stages of the recruitment processes will lead to disqualification.**

ix) **Certificate in support of experience shall be in proper format i.e., it shall bear the organization's letter-head, bear the date of issue, specific period of work, name and designation of issuing authority along with signature and official seal.**

x) The University shall verify the antecedents or documents submitted by a candidate, at any time, at the time of appointment or during the tenure of service. In case of fake documents, clandestine antecedents or suppression of information, services in the University shall be terminated.

xi) In case of any inadvertent mistake in the advertisement and in the process of recruitment, which may be detected at any stage, even after issue of appointment, the University reserves the right to modify/withdraw/cancel any communication made to the candidate(s).

xii) The University reserves the right not to fill any of the post(s). There may be an increase or decrease in the number of posts.

xiii) The University will not be responsible for postal delay in any correspondences with the applicants/candidates.

xiv) Use of non-scientific/non-programmable calculator is normally allowed in written examinations requiring mathematical calculations, unless specifically stated otherwise.

xv) Use of mobile phones/other electronic communication devices is banned in the premises of the examination hall.

xvi) List of rejected candidates may be displayed in the University website and MZU Notice Board stating the reasons thereof.

xvii) Government of India is striving for gender balance in Government jobs. Women candidates fulfilling the eligibility conditions are encouraged to apply.

xviii) **Separate application is required for posts bearing different Post Code.**

xix) Candidate must attain 18 (eighteen) years of age. The crucial date for reckoning age-limit, possession of educational/other qualifications, possession of required experience etc. is the last date of submission of application.

Date of Birth as per Matriculation certificate will be accepted and may, therefore, be used as age proof.

xx) Last date of receipt of complete application is **08.02.2013**.

xxi) Application after the last date, incomplete in any respect and any fresh paper/enclosures after the closing date, shall not be considered.

xxii) Any employee of the University may be required to stay in the University Campus or any other place as required by the University.
