Date: 11.6.2014

NOTIFICATION

Sub: Detailed qualifications for the various teaching posts under
Direct Recruitment – reg.

A. Professor:

1. Fruit Science:

- An eminent scholar with Ph.D. qualification(s) in the **Fruit Science** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- A Master's Degree with at least 55% marks or equivalent.
- A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- A minimum score as stipulated in the prescribed Score Card.

2. Vegetable Science

- An eminent scholar with Ph.D. qualification(s) in the **Vegetable Science** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- A Master's Degree with at least 55% marks or equivalent.
- A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- A minimum score as stipulated in the prescribed Score Card.

3. Plantation Spices, Medicinal & Aromatic Crops :

- a) An eminent scholar with Ph.D. qualification(s) in the **Plantation Spices, Medicinal & Aromatic Crops** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

4. Floriculture & Landscape Architecture

- a) An eminent scholar with Ph.D. qualification(s) in the **Floriculture & Landscape Architecture** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

5. Post Harvest Technology

- a) An eminent scholar with Ph.D. qualification(s) in the **Post Harvest Technology** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

6. Agricultural Entomology

- a) An eminent scholar with Ph.D. qualification(s) in the **Agricultural Entomology** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

7. Agricultural Extension

- a) An eminent scholar with Ph.D. qualification(s) in the **Agricultural Extension** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

8. Plant Pathology

- a) An eminent scholar with Ph.D. qualification(s) in the **Plant Pathology** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

9. Genetics & Plant Breeding

- a) An eminent scholar with Ph.D. qualification(s) in the **Genetics & Plant Breeding** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated/refereed journals in the previous cadre.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
- e) A minimum score as stipulated in the prescribed Score Card.

B. Associate Professor:

1. Fruit Science:

- a) Good academic record with a Ph.D. Degree in the **Fruit Science** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

2. Genetics & Plant Breeding

- a) Good academic record with a Ph.D. Degree in the **Genetics & Plant Breeding** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

3. Post Harvest Technology

- a) Good academic record with a Ph.D. Degree in the **Post Harvest Technology** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

4. Agril. Extension

- a) Good academic record with a Ph.D. Degree in the **Agril. Extension** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

5. Vegetable Science

- a) Good academic record with a Ph.D. Degree in the **Vegetable Science** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

6. Floriculture & Landscape Architecture

- a) Good academic record with a Ph.D. Degree in the **Floriculture & Landscape Architecture** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

7. Plantation, Spices & Medicinal Aromatic Crops

- a) Good academic record with a Ph.D. Degree in the **Plantation, Spices & Medicinal Aromatic Crops** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

8. Agril. Entomology

- a) Good academic record with a Ph.D. Degree in the **Agril. Entomology** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

9. Plant Pathology

- a) Good academic record with a Ph.D. Degree in the **Plant Pathology** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

10. Soil Science & Agril. Chemistry

- a) Good academic record with a Ph.D. Degree in the **Soil Science & Agril. Chemistry** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

11. Agril. Economics

- a) Good academic record with a Ph.D. Degree in the **Agril. Economics** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

12. Plant Biotechnology

- a) Good academic record with a Ph.D. Degree in the **Plant Biotechnology** discipline.
- b) A Master's Degree with at least 55% marks or equivalent.
- c) A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or National level institution with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated / refereed journals in the previous cadre.
- d) Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
- e) A minimum score as stipulated in the prescribed Score Card.

C. Assistant Professor:

1. Agril. Statistics

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Agril. Statistics** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

2. Animal Science

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Animal Science** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

3. Fruit Science

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Fruit Science** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

4. Post Harvest Technology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Post Harvest Technology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

5. Vegetable Science

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Vegetable Science** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

6. Floriculture & Landscape Architecture

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Floriculture & Landscape Architecture** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

7. Plantation, Spices & Medicinal Aromatic Crops

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Plantation, Spices & Medicinal Aromatic Crops** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

8. Agril. Entomology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Agril. Entomology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

9. Plant Pathology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Plant Pathology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

10. Soil Science & Agril. Chemistry

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Soil Science & Agril. Chemistry** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

11. Agro. Meteorology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Agro. Meteorology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

12. Molecular Biology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Molecular Biology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

13. Nano-Technology

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Nano-Technology** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

14. English

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **English** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

15. Computer Science

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Computer Science** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- c) Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.
- d) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.
- e) The candidate should not be above 50 years of age in respect of SC / ST and 48 years of age in case of others.

16. Physical Education

- a) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Physical Education** subject from a recognized University.
- b) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET.
