

HLL Biotech Limited is a professionally managed public sector enterprise under the Ministry of Health and Family Welfare, Government of India. HBL has established WHO-pre-qualified world class Integrated Vaccine Complex (IVC) at Chengalpattu, Tamilnadu for manufacturing and supply of high quality vaccines at affordable prices to ensure the vaccine security of the country. IVC is declared as a "Project of National importance" by Government of India. HBL also seeks to develop a strong R&D base for development of futuristic vaccines.

HBL provides a world class multicultural and multilingual, high performing dynamic environment that allows people to excel and reach their potential. The company is committed to employing and retaining the best-in-class talent. Working with one of the leading public sector Vaccine organisations also offers a broader range of opportunities to enrich your skills and build a career. At HBL, hard work, drive and passion for work is rewarded by career growth and professional development.
