

## **Haryana Govt approves recruitment of 133 Engineers through GATE**

In a major decision, the Haryana Government on Tuesday announced to take out 133 posts of Assistant Engineers (Electrical) and eight posts of Assistant Engineers (Civil) in all four State Power Utilities from the purview of Haryana Public Service Commission (HPSC) and fill these posts on the basis of score obtained in the GATE examination only and without conducting any interview.

The decision was taken during the Cabinet meeting on Tuesday. The four Power Utilities included Uttar Haryana Bijli Vitran Nigam, Dakshin Haryana Bijli Vitran Nigam Limited, Haryana Vidyut Prasaran Nigam Limited and Haryana Power Generation Corporation Limited.

As per the new recruitment process, public notices will be issued conveying to the prospective candidates that the recruitment of Assistant Engineers (Electrical) and Assistant Engineers (Civil) in Haryana Power Utilities will take place on the basis of the marks obtained in the GATE Examination to be held in early 2017 by IIT Roorkee. All those eligible persons who are desirous of being considered for recruitment as Assistant Engineers should appear in the GATE Examination 2017 for which IIT Roorkee would issue its advertisement in August.

The results of the GATE examination are likely to be published in March 2017. A Memorandum of Understanding (MoU) will be signed with IIT Roorkee for using the facility of using GATE score for recruitment as Assistant Engineers in Power Utilities. The persons on the waiting list will be offered appointment only if the person from the main list do not join.
