25% job reservation for senior most contingency staffs sought

The All Arunachal Pradesh Labour Union (AAPLU) has demanded for strict adherence to 25 percent job reservation for the senior most contingency staffs.

In its representation to the commissioner, health and family welfare, the union also demanded that district level AAPLU representatives be included as members in the DPC.

‘There are many senior most contingency staffs that have rendered their many precious years for the department. They should be given opportunity for regularization of their jobs’, it said in its letter urging the commissioner to pass orders to all the DCs and DMOs for its strict implementation.
