CM Raman Singh launches startup scheme in Chhattisgarh for Job creation

RAIPUR: Launching 'Startup Chhattisgarh' scheme, chief minister Raman Singh on Tuesday announced plans to promote a startup culture offering several incentives for startup entrepreneurs.

Speaking at the function organized at Shri Shankaracharya Institute of Professional Management and technology, he said the youth need to be fearless to bring their ideas into commercial products. To make 'Start-up Chhattisgarh' a grand success, the state government would extend full support to develop the enabling ecosystem for start ups in the state, he added.

Chief minister and state industries minister also launched a dedicated website www.startupcg.com for handholding and support to startups in the state. Startup logo and poster for 'Startup Chhattisgarh' were also launched at the event.
