Gujarat CM hands-over appointment letters to newly appointed state health staff

GANDHINAGAR: Gujarat Chief Minister Vijay Rupani handed-over appointment letters to more than 1500 youth getting appointment in state health department in various posts such as staff-nurse, pharmacist and physiotherapist cadre. The ceremony was organized here in Mahatma Mandir of Gandhinagar.

In presence of Minister of State for Health Department Shankar Chaudhary, State Assembly Deputy Speaker Mr. Shambhuji Thakor, MLA Ashok Patel and Gandhinagar Mayor Pravin Patel, Rupani called on to extend private corporate level health-care services to the poor and deceived people by improvising government hospitals and health centers of the state. He inspired the health officers, doctors and newly appointed Para-medical staff to provide services to poor people with accountability of social services.

Rupani said that this government has provided employment opportunities to more than 67000 skilled and efficient youth by arranging recruitment calendar as per the requirement of various departments along with health department of the state. Mr. Rupani briefed newly appointed staff-nurse, pharmacist and physiotherapists to adopt their duties as noble profession not only as employment opportunity. He appealed them to perform their duties as to realize them like a goddess of mercy to each patient come for treatment.

While welcoming newly appointed staff-nurse, pharmacist and physiotherapist, Minister of State for Health & Family Welfare Department Shankar Chaudhary stated that, the state government has promised to appoint a physiotherapist in each hospital of the state and to fulfill the commitment the State Government has started recruitment for the same.

On the occasion, Chief Secretary Dr. J. N. Singh and Principal Secretary and Commissioner for Health and Family Welfare J. P. Gupta gave occasional speeches and congratulated all for better and bright future ahead.

It is worth to mention that, state has a three-tier working structure to provide health-care services to people quickly. Under that 9156 Sub Centers, 1393 Primary Health Centers, 351 community health centers, 33 Sub-district Hospitals, 22

District Hospitals and 13 Medical Collages are delivering services and health facilities to the peoples of Gujarat. More than 45,000 Doctors and Para Medical staff is constantly working for the health and well-being of the people.
