Gujarat increases waiting list criteria for Class III posts

GANDHINAGAR: Gujarat chief minister Vijaybhai Rupani on the first day of taking charge announced important changes in rules for the youth to get better opportunity in waiting list of government jobs in Class III category during his first cabinet meeting.

According to the announcement made by the cabinet, the state government has decided to double the current waiting list of recruitment from 10 per cent to 20 per cent on direct recruitment for Class III posts.

Following this announcement, from now if any employee leaves job or resigns due to any reasons within a year after joining, then candidates can be selected from waiting list for these vacant jobs. Candidates will be selected from same category, from which employee has resigned.
