

No ban on PSC appointments: FM Thomas

THIRUVANANTHAPURAM: FACED with the vehement criticism from the Opposition, Finance Minister Thomas Isaac on Wednesday said that there would not be any ban on appointments. Replying to the discussion on the revised budget for 2016-17, he said posts will be created in the Health and Education departments if necessary. On former Finance Minister K M Mani's criticism that many proposals were just a pipe dream, he said the leader also had no idea about the new trends in the capital market. He hoped that revenue deficit would be brought down near to zero percent in four years.
