

## **2013 Batch Constable recruitment has not been completed yet in Manipur**

The All Manipur Written Test Successful Candidates (AMWTC) of Police Constable (Male), 2013 has warned of resuming its agitation if the authority concerned fails to fulfil the demands of declaring the results of viva-voce by July 10.

In a statement, the president of AMWTC Police Constable (Male) 2013 stated that the whole process of written, physical and viva-voce has been completed by June 10 and now the 10,287 candidates are eagerly waiting for the viva-voce results.

It is unfortunate on the part of the State Government to start the process of recruitment of 2052 constables while the earlier 2013 Batch Constable recruitment has not been completed yet, he added.

The candidates and guardians took out a rally towards CM's bungalow on June 21 and the delegation was assured that a meeting with the CM will be arranged on July 4 regarding the matter.

The statement also added that if the authority concerned fails to declare the viva-voce results by July 10, they will be compelled to launch series of agitation until their demands are met.
