Indian Railways RRB NTPC recruitment will have 2nd stage exam; Pattern announced

Railway Recruitment Boards have uploaded an important notice regarding the answer key and 2nd stage Computer Based Test (CBT) for the recruitment of 18000 NTPC (non technical) vacancies .

In the detailed notification of RRB's, they have highlighted the following points.

1. Objections were invited from the candidates on questions/answer keys from 12.08.2016 to 21.08.2016. After consideration of these objections the Question Papers (indicating finally deleted questions, if any), updated final Answer Keys & Candidates Response shall again be made available on RRBs website in September/October 2016.

2. RRBs will hold a 2nd stage Computer Based Test (CBT) for various NTPC (Graduate) category posts, & candidates equal to 15 times of vacancies shall be called for 2nd stage CBT based on the merit position in the CBT held during 28/03/2016 to 03/05/2016 (hereinafter called 1st Stage CBT).

3. The Final selection of candidates will be based on merit position obtained in the 2nd stage CBT and/or result of Aptitude Test/Typing Skill Test wherever applicable.

4. Normalisation of marks will be done in 1st and 2nd stage CBT.

Now coming to the 2nd stage CBT, it is given that the question papers is likely to include the following sections:

A. General Awareness

B. Arithmetic

C. General Intelligence and Reasoning

The duration of this test will be of 90 minutes covering 120 multiple choice objective questions.

The date(s) of 2nd stage CBT shall be published on RRBs website on a later date.
