

Rajasthan rectifies notification to allow 100% quota for locals in TSP areas

Jaipur: The Rajasthan government has reissued a notification for Tribal Sub Plan (TSP) areas, reserving 45% jobs for Scheduled Tribe (ST) and 5% for Scheduled Caste (SC) candidates in all direct recruitment, except the State Services.

In addition to the ST/SC candidates, the general category candidates too would get quota benefit in the TSP areas. As per the notification, the remaining 50% vacancies in all direct recruitment in the TSP areas will be filled only with local candidates from the OBC, SBC and general categories. The special quota is only for candidates who are natives of the TSP areas and is applicable in direct recruitment at the lower levels only in TSP areas.
