## **Job mela in Virudhunagar on September 28**

Special job mela for employment in private sector would be held at the District Employment Office here on Wednesday.

The melas being held every month have seen hundreds of persons getting employed in various private sector units.

An official statement from District Employment Officer, said that five leading companies would participate in the job mela to be held on September 28 and were offering jobs for people with a range of educational qualifications from 8th standard to graduates.

Job aspirants who had undergone courses in pharmacy, ITI and Diploma in Electrical and Mechanical engineering can participate in the mela.

Seniority in registration at the District Employment Office seeking jobs in Government sector would not be disturbed for those who get employment in private sector through the mela, the statement said.
