

Govt must fill 1.4 lakh job vacancies: TJAC

HYDERABAD: The TJAC chairman M Kodandaram on Thursday addressed a meeting to discuss a plan of action for the agitation, demanded the government to fill up over 1.40 lakh vacancies existing in various departments. The meeting was a precursor to the proposed September rally in Hyderabad where lakhs of unemployed youths are expected to take out a march at Tank Bund.

During Thursday's meeting, the TJAC leaders demanded the government to publish a policy paper on jobs. "It is an irony that number of jobless youth has only increased after Telangana achieving statehood," said Kodandaram.
