For Project Associate –II (With NET/GATE) - Rs.35, 000.00 p.m. + HRA

No other allowance is admissible

Job Requirement (Post Code A01-A05):

The role of a project associate would be to search, analyze and summarize the content of the scientific documents and prepare technical reports accordingly. Preference will be given to those who are having knowledge of scientific and technical data analytics including patent analytics.

Desirable qualifications and Skills

- Aptitude for analysis of patent documents and research publications, data mining and analytical skills
- Excellent Oral and Written Communication in English language
- Proficiency in use of commonly used software for word processing, database searching, spreadsheet, presentations

Age Limit: Age limit for Project Associate I and II will be 35 years on the closing date.

The engagement will be made initially till the end of financial year i.e. 31st March 2021, which may be extended or curtailed depending on the satisfactory performance and conduct of the candidates and project duration. The engagement will be purely on temporary and/or contract basis and shall not be a CSIR/URDIP appointment, temporary or otherwise and shall not entitle him/her to any right/claim, implicit or explicit, for his/her consideration against any CSIR/URDIP post/fellowship.

Only candidates who fulfill the above criteria may fill the online form. Based on the number of applications received, applications will be screened and the list of screened candidates for interview will be displayed on the CSIR-URDIP's website. The shortlisted candidates should appear for the online interview at the communicated date and time.

The candidates should to make their own arrangements for attending the interview online, the details of which will be uploaded on the website.

Location of work:

The location of work after selection will invariably be Pune. No request for working remotely will generally be entertained, except in exceptional circumstances. Such circumstances will be judged on the nature of work, availability of IT and other resources etc. The decision of Head CSIR-URDIP will be final in this regards and accordingly, the engagement may be terminated/permitted.

Please note:-

- a) The interviews would be held online using MS Teams software and the applicants would be responsible for installation, testing, functioning and connectivity of the MS Teams software. CSIR URDIP would not be responsible for any connectivity failure or communication faults in the online-mode interview.
- b) Due to online nature of the interview, you might be called half an hour early or later than the scheduled time. In such a scenario, please be patient and wait in the online meeting-room lobby as you would be let inside after the earlier candidate finishes.
- c) No separate interview letters will be issued; the candidates should keep visiting the website on regular basis.
- d) Selected candidates would need to bring/submit Original qualification and experience certificates along with one set of photocopies at CSIR URDIP Administration office for verification.
- e) Candidates should note that their candidature will be purely provisional, subject to fulfilling of all the eligibility criteria.
- a) If the number of candidates is more, the interviews may be conducted on the next day also.
- b) **No TA-DA will be provided** for attending the interviews.
