Notice – Result and Counselling

The common entrance test (WBJEE-2021) for admission in Engineering/ Technology/ Pharmacy/ Architecture courses was conducted this year much later than normal, mainly due the COVID-19 pandemic.

Now, in order to make up for the lost time and to complete the admission process within the stipulated time, the result will be declared as early as possible, and e-counselling will start immediately thereafter.

Model answer keys will be published tentatively on 21/07/21 and candidates will be able to challenge any answer key within 22/07/21.

OMR images and candidates' responses will be published in first week of August and again the candidates will have two (2) days' time to lodge their challenges, if any.

Hence the candidates are requested to check the web site regularly.

Candidates must keep the documents required for counselling ready with them (see the list given in the web site).
