13			
13	In this question, a passage is given followed by a statement. Read the passage carefully and judge the statement based on the given passage.	Α	D
	A woman in Brazil who received a womb transplanted from a		
	deceased donor has given birth to a baby girl in the first successful		N.
	case of its kind, doctors reported. It comes after 10 previously known cases of uterus transplants from deceased donors - in the		
	United States, the Czech Republic and Turkey - failed to produce a		
	live pirth. The numbers of people willing and committed to donate		
	organs upon their own deaths are far larger than those of live		
	donors, offering a much wider potential donor population "		
	Ejzenberg said in a statement about the results. She added		
	however, that the outcomes and effects of womb donations from		
	live and deceased donors have yet to be compared, and said the technique could still be refined and optimised.		
	Statement: World's first baby is born via womb transplant from dead donor in Brazil.		
	Choose the appropriate one from the following options		
	A - The statement is definitely true		
	B -The statement is probably true		
	C -The statement is cannot be determined		
	D -The statement is definitely false A. A		
	B. B		Halia!
	C. C		
	D. D		
14	Lichen is an example oftype of relationship.	В	A & B
