^{*} MNIO&RCC is a state level institution.

3. Further, Hon'ble Supreme Court in Rajesh Kumar Daria Vs Rajasthan Public Service Commission has held as follows:

"Social reservations in favour of SC, ST and OBC under Article 16(4) are 'vertical reservations. Special reservations in favour of physically handicapped, women, etc. under Articles 16(1) or 15(3) are 'horizontal reservations''. Where a vertical reservation is made in favour of a Backward Class under Article 16(4), the candidates belonging to such Backward Class, may compete for non-reserved posts and if they are appointed to the non-reserved posts on their own merit, their number will not be counted against the quota reserved for the respective Backward Class. Therefore, if the number of SC candidates, who by their own merit, get selected to open competition vacancies, equals or even exceeds the percentage of posts reserved for SC candidates, it cannot be said that the reservation quota for SCs stood filled. The entire reservation quota will be intact and available in addition to those selected under open competition category.

But the said principle applicable to vertical (social) reservations, will not apply to horizontal (special) reservations. Where a special reservation for women is provided within the social reservation for SCs, the proper procedure is first to fill up the quota for SCs in order of merit and then find out the number of candidates among them who belong to the special reservation group of 'Scheduled Caste Women". If the number of women in such list is equal to or more than number of special reservation quota, then there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of Scheduled Caste Women shall have to be taken by deleting the corresponding number of candidates from the bottom of the list relating to Scheduled Castes'.

- 4. In view of these directions of Hon'ble Supreme Court, reservations for women will be implemented accordingly.
- 5. In Educational Institutions where vacancies are reserved for women, shall be filled with women candidates only in terms of G.O.Rt.No.1274 GAD (Ser.B) Dt.4.6.2016.
- 6. The roster matrix for 7,094 vacancies is as follows:

	Roaster Point Matrix
