

**TRIPURA PUBLIC SERVICE COMMISSION
AGARTALA**

NOTIFICATION

No. F. 11(91-3)-Rectt./TPSC/2022(P-I)

Dated 9th August, 2024.

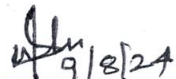

Ref:- Commission's Advertisement No. 06/2021 dated 07.12.2021, Addendum dated 02.05.2022
& Notification dated 06.06.2024

It is for information of all concerned that the Commission has received several letters from Government Department and individual candidates with regards to releasing wait list for recruitment to the Miscellaneous posts through Tripura Combined Competitive Examination vide advertisement No.06/2021 dated 07.12.2021.

The issue was deliberated in details at the Commission in respect to above referred recruitment process and the Commission is of the following views:-

- i) Since the recommendation process for recruitment to Miscellaneous posts through Tripura Combined Competitive Examination is required to consider three different parameter of choice, available vacancy and category of the recommended candidate, the wait list preparation is technically not possible.
- ii) Preparation of any wait list for recruitment process where more than 01(one) category post is associated may led to re-arrangement of vacancies in one particular category due to filling of vacancy by wait listed candidates and will create not only technical feasibility issues, but also invite legal complication at latter stage in deciding the seniority of the employees in the said post as the same is dependent on date of joining.

Considering all the points above the Commission is not in a position to release any wait list for recruitment having such conditions.

(S. Mog, IAS)
Secretary,

Tripura Public Service Commission.
